PARTNERSHIP WITH St. James Episcopal School

Top Choice Catering is proud to partner with St. James Episcopal School to provide students with a hot lunch for the 2022-23 school year. Top Choice Catering will create a monthly lunch menu to be posted one week prior to the following month. Student Identification numbers to log in may be obtained through Top Choice Catering or the School Office after August 1st.

What can you expect at St. James Episcopal School?

1. Due to the significant increase in food costs, lunch prices will increase this year. At the Elementary Level (PP-4), Top Choice will offer a daily hot lunch that includes a choice of 2% milk, chocolate milk or 8 oz. bottled water, at a cost of \$4.50.
2. For the Middle Level (5-8), a daily hot lunch and tea or water will be offered for \$5.25. For Middle School, Top Choice will also provide a full line ala carte lunch menu that includes student healthy choices and a full sub sandwich menu with fresh baked white bread.
ALL MEALS MUST BE PREORDERED ONLINE @ myschoolaccount.com
3. Parents will setup an online student lunch account at **myschoolaccount.com** and deposit money (once a month is recommended) for student's lunches. Parents will have the ability to monitor their child's lunch choices and account balance online.
4. Parents will also be able to monitor their child's lunch account on the go by downloading **myschoolaccount.com** phone app (iPhone or Android). Parents can monitor lunch purchases, make deposits, and view payment history any time with the phone app.
5. Forget to deposit money? You can call Top Choice Catering directly or leave lunch money in the morning via cash or check at St. James Episcopal School **Cafeteria**.
